## MECHANICAL MAINTENANCE ENGINEER

### EXTERNAL VACANCY

**Reports to:** Maintenance Manager  
**Location:** Shop floor based in Oldbury, West Midlands, United Kingdom (UK)  
**Hours of work:** Monday to Thursday 7.30am to 4.00pm with half hour lunch break each day and Friday 7.30am to 12.30pm with no lunch break – 37 hours a week in total, paid monthly.

This is a full-time permanent position in the maintenance department within voestalpine Metsec plc, the UK's largest specialist cold roll-forming company providing products for the UK construction and manufacturing industries.

#### Person specification

- » Time served Mechanical Engineer with a number of years' experience in manufacturing
- » Minimum City and Guilds Part 1 and 2 in mechanical engineering
- » Good fitting skills with the ability to weld and fabricate, along with hydraulic and pneumatic fault-finding experience
- » Experience of planned maintenance and continuous improvement/lean manufacturing
- » Well organised, self-motivated and capable of working to tight deadlines
- » Good attention to detail
- » Proactive approach to problem solving
- » Good timekeeping and attendance
- » Must be eligible and able to prove you can work in the UK, as the Company does not hold a sponsorship licence.

#### Your responsibilities

- » Performing reactive maintenance on a variety of mechanical machinery across the site
- » Supporting the day-to-day manufacturing process in the most efficient manner, whilst working within a team structure
- » Effective recording and monitoring of all engineering/production-based issues
- » Troubleshooting problems and suggesting improvements to prevent reoccurrence
- » Communicating with Production Managers / Team Leaders on progress of issues
- » Completing scheduled maintenance
- » Investigating faults with plant and equipment, completing any necessary repairs, and reporting status within the maintenance recording system.

**Post date:** Thursday 11<sup>th</sup> September 2025  
**Package:** Competitive salary, Company pension scheme, health cash plan, life assurance, 33 days holiday (including statutory days), discounted gym membership, cycle to work scheme and an employee assistance programme  
**To apply:** We look forward to receiving your CV at [metsec.hr@voestalpine.com](mailto:metsec.hr@voestalpine.com)
